### Step 1: Children

List all infants and children in the household, their birthdate and, if applicable, their grade and school. Attach an additional page if needed to list all children. Fill in the circle if a child is in foster care (a welfare agency or court has legal responsibility for the child). Please provide the requested information on ethnicity and race for each child. This information is not required and does not affect approval for school meal benefits. The information helps to make sure we are meeting civil rights requirements and fully serving our community.

**Step 2: Case Number** If any household member currently participates in the Special Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), write in your case number, check which program you participate in, and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3. WIC and Medical Assistance (M.A.) programs do not qualify for this purpose.

### Step 3: Adults / Incomes / Last 4 Digits of Social Security Number

- List all adults living in the household (everyone not listed in Step 1) whether related or not, such as grandparents, other relatives, or friends. Include any adult who is temporarily away from home, like a student away at college. Attach another page if necessary.
- List gross incomes before deductions, not take-home pay. **Do not list an hourly wage rate.** For adults with no income to report, enter a '0' or leave the section blank. This is your certification (promise) that there is no income to report for these adults. For seasonal work, write in the total annual income.
- For each income, fill in a circle to show how often the income is received: each week, every other week, twice per month, or monthly.
- For farm or self-employment income only, list the net income per year or month after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
- Last four digits of Social Security number – The adult household member signing the application must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number.
- Regular incomes to children – If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children. Do not include occasional earnings like babysitting or lawn mowing.

**Step 4: Signature and Contact Information** An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the “Don’t share” box in Step 4.
