

***** Attention 4th and 5th Grade Students *****

Dear BRE Families,

Our music curriculum includes recorder instruction. We would like to start right away this fall. If you already own a soprano baroque recorder, your child is welcome to use it, providing it matches pitch with the other student recorders. If your child does not have a recorder, we will be placing an order soon. If you are unable to purchase a recorder for your child at this time, please contact Mrs. Jahn or the office to make confidential arrangements.

The recorders I will be ordering are Peripole Angel Halo Soprano Recorders. Each recorder comes with a nice zippered case and a neck strap. These quality recorders are \$8.00 each.

Some students choose to order two recorders: one to keep at school and one to keep at home. This eliminates any possible problems of accidentally leaving the recorder at home on a music day. The purchase of a second recorder is completely **optional**, but something you may wish to consider for reasons of convenience.

If you plan to order a recorder, please return this order form with cash or a check made payable to **Yellow Medicine East School** by **Friday, September 10**.

ITEM	UNIT PRICE	AMOUNT
Peripole Angel Halo Soprano Recorder	\$8.00	_____
Donate a recorder for a student in need (optional)	\$8.00	_____
